Who We Are

A MULTIDISCIPLINARY PARTNER, BUILT IN DAR ES SALAAM.

- TR** Atlas Group Africa Limited, 2009 yılında Dar es Salaam, Tanzania'da kurulmuş, altyapı, üstyapı ve müteahhitlik projelerinin yanı sıra yüzme havuzu, spa ve wellness çözümlerini uçtan uca sunan çok disiplinli bir çözüm ortağıdır.
- EN** Atlas Group Africa Limited was established in Dar es Salaam, Tanzania in 2009. We operate as a multidisciplinary project partner across infrastructure, building and contracting works, while providing complete swimming pool, spa and wellness solutions from supply to commissioning and after-sales support.
- SW** Atlas Group Africa Limited ilianzishwa Dar es Salaam, Tanzania mwaka 2009. Tunatoa huduma za ujenzi wa miundombinu na majengo, pamoja na suluhisho kamili za mabwawa ya kuogelea, spa na wellness — kuanzia usambazaji na usafirishaji hadi ufungaji, uanzishaji na huduma za baada ya mauzo.

“**TR** *"İhtiyaçtan teslimata, tek noktadan güvenilir çözüm."*
EN *"From requirement to handover, one accountable partner."*
SW *"Kutoka hitaji hadi makabidhiano, mshirika mmoja wa kuaminika."*

We Build

TR Devlet kurumları, yatırımcılar, ana yükleniciler ve geliştiriciler için altyapı ve üstyapı projelerinde mühendislik, tedarik, koordinasyon ve saha uygulamasına odaklanıyoruz.

EN We support public institutions, investors, main contractors and developers with coordinated engineering, procurement, project execution and site delivery.

SW Tunashirikiana na taasisi za umma, wawekezaji, wakandarasi wakuu na developers katika uhandisi, manunuzi, uratibu na utekelezaji wa miradi.

Turnkey Solutions

ATLASPOOL — AQUATIC & WELLNESS DIVISION

- TR** Havuz projesini yalnızca ürün satışı olarak değil; tasarım, ekipman, lojistik, montaj, devreye alma ve satış sonrası teknik destek zinciri olarak ele alıyoruz.
- EN** We treat a pool project as a complete delivery chain — design, equipment, logistics, installation, commissioning and after-sales technical support.
- SW** Tunachukulia mradi wa bwawa kama huduma kamili — usanifu, vifaa, usafirishaji, ufungaji, kuanzisha mfumo na huduma za baada ya mauzo.
